

Field Investigator in Wayanad district, Kerala

Description

We are looking for a dedicated and motivated Field Investigator to support community-based initiatives focused on eye care awareness, training, and research activities across Kerala. The candidate will work closely with ASHA workers, community members, and project teams to conduct training sessions, organize field activities, and assist in research and evaluation processes.

The role involves coordinating community meetings, facilitating focus group discussions, collecting field data, and contributing to program implementation and monitoring. Candidates should possess strong communication and interpersonal skills, the ability to work with diverse communities, and a willingness to travel extensively for fieldwork.

A Bachelor's or Master's degree in Social Work (BSW/MSW) is preferred. Candidates from related fields such as Psychology, Sociology, Counseling, or Community Development may also apply. Freshers are welcome, while prior experience in social work, NGO projects, or community engagement will be an added advantage.

Fluency in Malayalam and English, along with basic computer knowledge for reporting and documentation, is essential.

Responsibilities

- Conduct training and awareness sessions for ASHA workers on eye care and community health practices
- Organize and coordinate community meetings, field visits, training logistics, and focus group discussions
- Support community development initiatives and field-based outreach activities
- Assist in research activities, data collection, monitoring, and program evaluations
- Prepare field reports, documentation, and maintain basic project records
- Work closely with project teams, community stakeholders, and beneficiaries
- Travel across Kerala for field activities and program implementation

Qualifications

- BSW/MSW preferred
- Related fields like Psychology, Sociology, Counseling, and Community Development may also be considered
- Freshers can apply
- Experience in social work/NGO/community service is an advantage
- Malayalam and English fluency required
- Basic computer literacy and willingness to travel across Kerala
